

29 Albion St, Katoomba

SPACE FOR EXPANSION!

With renovations just completed, you can move straight in ... and then dream of whether to extend or use the space to create a garden. Or you could add a studio (STCA) with discrete separate entrance.

Situated on a prized corner block opposite Melrose Park, you'll love the convenience but also the privacy on offer with the huge leafy hedge proudly sitting out front.

There is a sparkling new kitchen with gas stove and a classic old bathroom that granny would recognise. There are three bedrooms, two with northerly aspect.

Did we mention convenience? Yes, we know we did but it's worth mentioning again!

A flat walk to the station and town. A short drive to the local public school. Blue Mountains Organic Community Gardens just a stone's throw.

This is a great place to bring a family up but with flexible IN2 zoning, it would also make an ideal investment or place to run a business.
