

20 Lomandra Place, Katoomba

SUPERB SOUTH KATOOMBA BUILDING BLOCK!

Situated at the end of a tranquil cul-de-sac in the surrounds of established quality homes is this splendid 1210 sqms. of Blue Mountains paradise.

Reasonably cleared, this marvellous elevated block boasts a north easterly aspect and a gentle slope providing leafy views across the valley with the Katoomba city skyline on the horizon.

The sewer is connected and all other services including natural gas and underground electricity are available ready for connection in the street nature strip. The road winds to the block and is bitumen sealed with roll top kerb.

The topography is well elevated but protected from high winds by surrounding natural bushland and established development. The soil is sandy and stable with no apparent ground water problems making for a trouble free build.

The location is brilliant. The Katoomba sports & Aquatic Centre is less than 500mtrs. away and Catalina Park just a tad beyond. The town centre is a leisurely stroll away, approximately 1.4 klms. or a short few minutes by car.

The block size and configuration is ideal to cater for both a substantial residence and a granny flat either detached or incorporated under the main roof subject to Council approval.
