

2 Clarence St, Katoomba

'BRIXTON' c1904

Introducing 'Brixton'. Dating back to 1904, the home looks a lot different inside these days. In fact, it looks a lot different to when the current owners acquired it 10 years ago.

The aesthetic changes are obvious but less obvious improvements include new roofing, insulation, wiring and plumbing to name just a few.

The 633sqms, R2 zoned corner block offers the ultimate flexibility. It's perfectly located halfway between Leura Village and Katoomba Town Centre. And with Peter Carroll Field (Leura Park) located directly opposite, you've ticked just about every box.

Features include:

- Gorgeous weatherboard façade with restored front verandah overlooking the garden
- Formal lounge with high ceilings, north facing bay window, gas fireplace
- Separate dining with slow combustion fire & split system air con
- Sleek kitchen with polyurethane joinery, leathered granite benchtops, induction cooking, dishwasher and stunning kit kat tiled splashbacks
- Chic bathroom with heated floors
- Three spacious bedrooms (two with spacious built-in robes)
- Third bedroom is currently used as a snug and has a wonderful outlook through the timber windows and French doors
- Full length undercover alfresco area
- Separate fully insulated Studio with undercover deck
