## WAREHOUSE 5 - BOUTIQUE BLOCK ON DANKS STREET

Setting a benchmark in Inner City living are the Warehouse 5 apartments. Designed & developed by award winning architects & builders & located on the increasingly popular Danks St strip.

The complex has been designed with a contemporary but raw industrial theme throughout, however it has the benefit of being built from scratch unlike true warehouse conversions. The result is a look that is popular but without having to put up with the downsides of converting a 100 year old building.

Currently available is a split level 2 bedroom, 2 bathroom apartment with Northerly aspect, with light filled interiors, gas cooking, integrated dishwashers & stainless steel benchtops, chic bathrooms, one with a bath, light & airy open plan living areas, great private outdoor entertaining areas, built-ins in all bedrooms. NO PETS.

Green Square train station is less than 10 minutes walk, Crown St is a short stroll & Entertainment Quarter, Centennial Park, beaches & the CBD are only a stone's throw away.

With great art galleries & eateries such as Societe Food & Wine Bar & Sanoma, no wonder people are already labeling Warehouse 5 Waterloo's Hot Spot.
