IMMACULATE & REFURBISHED IN WAREHOUSE 5

Setting a benchmark in Inner City living are the Warehouse 5 apartments. Designed & developed by award winning architects & builders & located on the increasingly popular Danks St strip.

The complex has been designed with a contemporary but raw industrial theme throughout, however it has the benefit of being built from scratch unlike true warehouse conversions. The result is a look that is popular but without having to put up with the downsides of converting a 100 year old building.

Currently available is a freshly painted, newly carpeted North facing apartment with front & rear balcony. It has a light filled interior, modern kitchen with gas cooking, integrated dishwasher & stainless steel benchtop, chic bathroom with bathtub, built-ins, internal laundry with washing machine and dryer & good storage.
